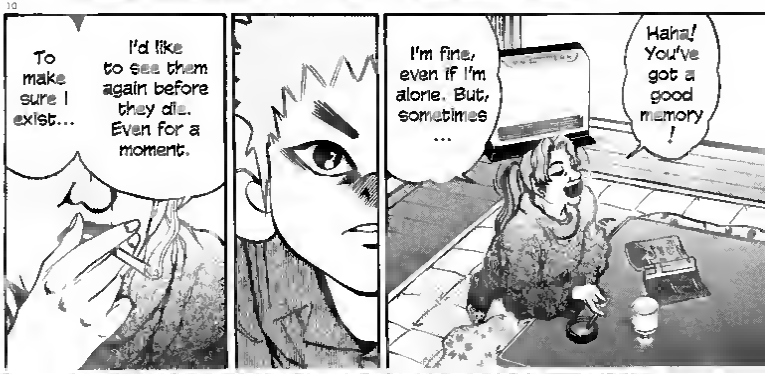
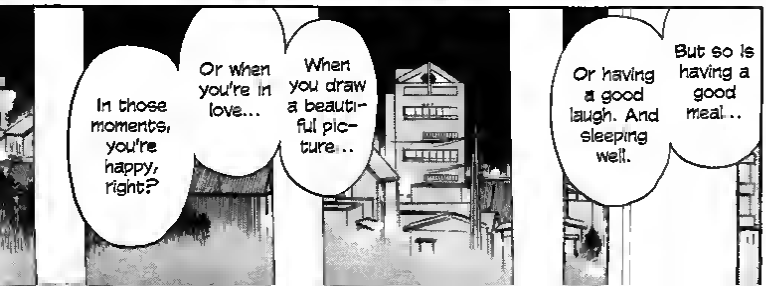
You look like you're thinking... like a grown up
You're quite ... cool.

Akipon says...
Mommy and daddy are still ...
Watching over ...
Even now? Even if you're a grown up?
You want your mommy and daddy to come for you?
... Eh?
You said everything is going to be fine, even if you're alone...
Maybe... I'd like to see them again. If they're alive...
... Now ...



To make sure I exist...
I'd like to see them again before they die. Even for a moment.
I'm fine, even if I'm alone. But, sometimes ...
Haha! You've got a good memory!

But sometimes.. I'd want to check that it's not a dream...
I was born thanks to my mom and dad...
What is "make sure I exist" ?
It's hard to explain ...
Hahaha! That's right, that's one of them!
Happy? ... Peanut butter?
...When you're a grown up, you learn to appreciate the happy moments of your life ..
What is "want to check" ?



In those moments, you're happy, right?
Or when you're in love...
When you draw a beautiful picture...
Or having a good laugh. And sleeping well.
But so is having a good meal...

But life, it's also pain and sufferinge...
Sometimes, you're not happy.
And you feel like... you're living in spite of yourself ...

That she won't come. That's why I live, to my regret
I've never been dead don't understand it at all. Exactly like you.
While thinking of those who died. Or by forgetting them ...
When you're alive, you have no alternative but to keep on living ...

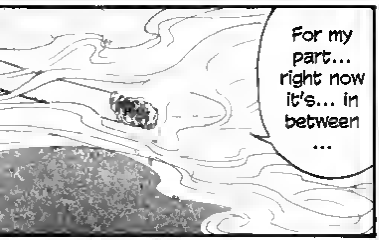
I live in spite of myself...

They're sad...
Your mom and dad...

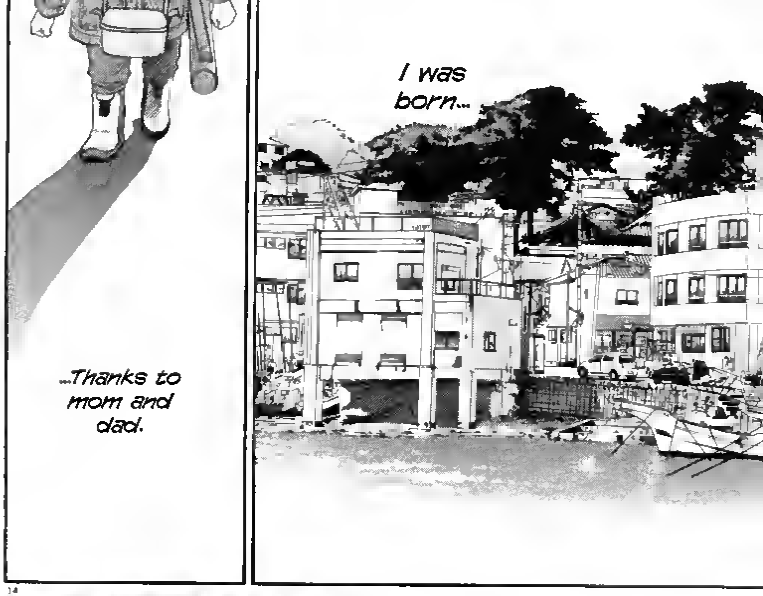
If you feel bad, or suffer ...

And continue to live while thinking that it's in spite of yourself, that you don't have a choice...

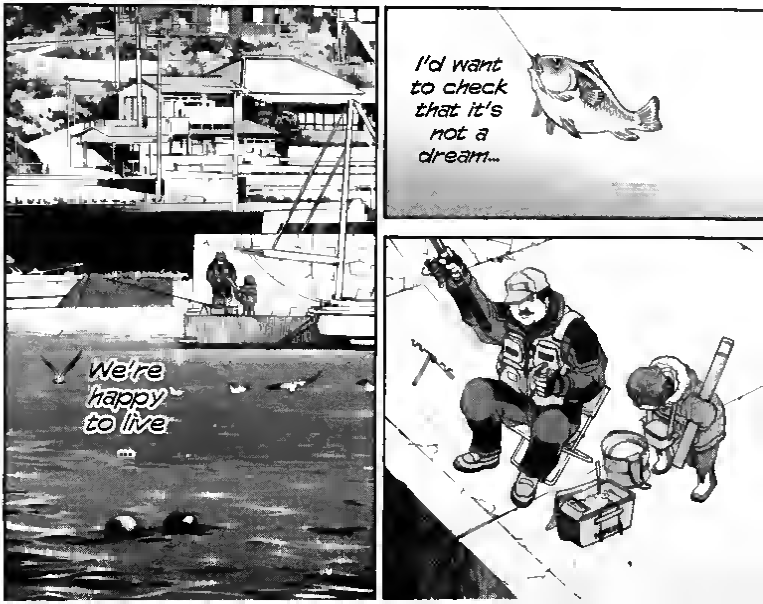
"I thank you for giving me life!", then it's a victory!
But if you can say "Mom dad I'm fine. Even if I'm alone I'm happy!"



For my part... right now it's... in between ...



I was born...
...Thanks to mom and dad.



I'd want to check that it's not a dream...
We're happy to live

I'd like to buy a new one, but I don't make enough money with my cook's pay.

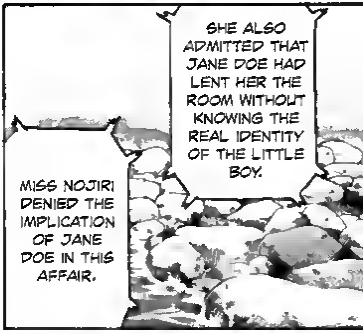
THE LAST PERSON WHO WAS IN CONTACT WITH KIICHI ...
ACCORDING TO THE SUSPECT'S STATEMENT...

MISS NOJIRI ADMITTED HAVING USED THE ROOM AS A HIDING PLACE DURING TWENTY DAYS, STARTING JANUARY 5TH...
THIS JANE DOE LIVED NEARBY, IN A ROOM RENTED UNDER THE NAME OF A THIRD PARTY.

All righty then, I'm hiding the picture!
You don't know her?



SHE ALSO ADMITTED THAT JANE DOE HAD LENT HER THE ROOM WITHOUT KNOWING THE REAL IDENTITY OF THE LITTLE BOY.
MISS NOJIRI DENIED THE IMPLICATION OF JANE DOE IN THIS AFFAIR.

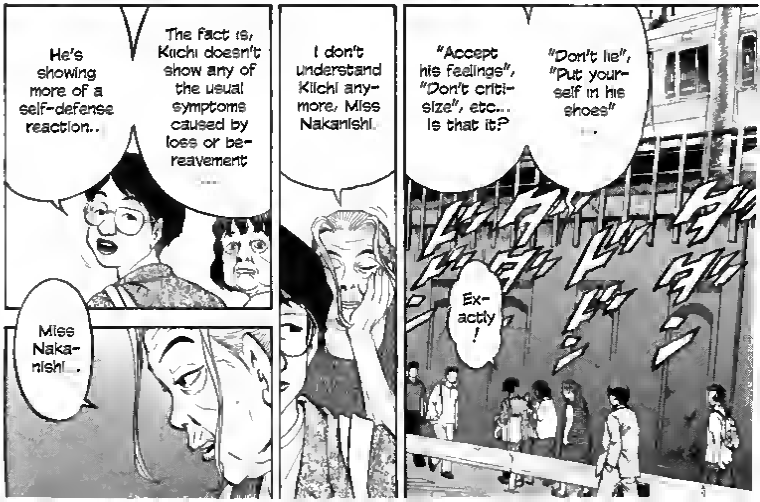
江戸東京博物館
The murder of his parents by the mad killer...
The shootout between the yakuzas
His abduction and his secluded life in the moutain
That's an impressive number of trauma
I'm not sure my expertise is enough ...
But I want to give it my best. And I'm going to need all your support.



"Don't lie", "Put yourself in his shoes" ...
"Accept his feelings", "Don't criticize", etc... Is that it?
Exactly !
I don't understand Kiichi anymore, Miss Nakanishi.
The fact is, Kiichi doesn't show any of the usual symptoms caused by loss or bereavement ...
He's showing more of a self-defense reaction..
Miss Nakanishi...

Yes, I sensed an iron will.
You think it's a psychiatric problem?
He says that he wants to live on his own.
And it's not to mimic anyone. He has actually chosen to be alone.
Usually, children can't deal with their trauma in a rationnal way.
So they express their fear. They're constantly afraid, they don't sleep anymore, they cry, etc ..
But Kiichi... He only says that he wishes to be alone. It's an adult behaviour... I have the feeling that he's trying to rationalize by expressing orally his innate survival mechanisms.
I went to his former school to gather more informations.
... Not really ...
... Did you understand that?
It's an hypothesis, but I think there must have been a triggering factor
I then asked myself how could he have come up with his speech during the press conference?
He was a child who didn't conceptualize the notion of language
The Kiichi I've been described was very different.

But he doesn't give the impression of knowing how to fill his free time.

I beg you.
Say yes, Mr Someya!
We'll never reach an agreement ...
THE WITNESS CLAIMS THAT THE CHILD WHO USED TO FISH HERE ...
...WAS KIICHI.
Yes we will! It's that simple: you leave Kiichi to us!
No! But there's another solution, more cruel. We let him choose ..
